

## Permission to Administer Medication

### Over the Counter Medication

Bible Center School is not able to administer medication such as, Tylenol, Motrin, Cold Medication, etc., unless we have permission from the parent or guardian. If your child needs to take any over the counter medications you must **provide** the medication. The medicine must be in the original container and labeled with the child's name; it will be dispensed by the principal, teacher, classroom aide, secretary, and nurse or other. Please complete the form below and return the form to the school office with the over the counter medicine to be given to your child.

**This signed release form from the parent or guardian authorizes BCS to administer the over the counter medication and must be on file in the school office.**
