One of the reasons Bible Center School exists is to teach and promote biblical values and lifestyles. While we do not require parents to subscribe to a doctrinal position, as an institution and a ministry of Bible Center Church, we devoutly hold to a core set of beliefs which form the basis of what we advocate and teach our students. These beliefs can be found in our doctrinal statement and are represented in the literature we publish about BCS. By enrolling your child(ren) at Bible Center School, you understand and consent to our efforts to teach these beliefs to them and to oppose the teaching of beliefs to the contrary. Bible Center Church's Doctrinal Statement is located on the school website for review.

## **Welcome to Bible**

## **Center School**

Dear Parents,

This handbook serves as a guide to parents, students, and staff to communicate a clear, concise statement of the basic policies, procedures, and philosophy of Bible Center School. Commitment to these policies and procedures will allow Bible Center School to run on a smooth, orderly basis, and produce a significant impact on the lives of our students over the course of their education.

Bible Center School has a rich tradition of providing a quality education with a Christian worldview for all students. The curriculum is rigorous and challenging, and it is geared to teach students from a biblical perspective in all subjects. Students also receive instruction during chapel from staff as well as qualified speakers, missionaries, or local pastors.

Bible Center School has students in grades K-8. The staff is proud of the many changes that have taken place. The implementation of middle school advisory groups has been instrumental in the spiritual growth and emotional health of our middle school students. Cutting edge technology will be added to our current K-8 academic program in the 2019-2020 school year, taking learning to the next level.

Bible Center has a growing athletic program that includes soccer, volleyball, basketball, cheerleading, track, and baseball. The addition of our first BCS Baseball Team in 2019 has opened the door for more athletes in our growing sports program for students in grades six through eight. The athletic program is experiencing tremendous success as Bible Center continues to grow.

Parents can become involved in the many exciting things that are happening at Bible Center School by volunteering! Please contact the school at 304-941-1704 to find out more about our volunteer opportunities.

May God bless you and your family as we journey together!

Stephanie Schafer, Principal

## GENERAL INFORMATION

### WELCOME

Welcome to the Bible Center School family. Thank you for entrusting us with the opportunity to serve your family concerning the education of your child. We are committed to providing the best Christian education available in the Charleston area. Please let us know if we can be of assistance to you in any area.

To better acquaint you with our mission and focus, please take a few moments and read this handbook. It will help explain the policies and procedures by which we operate. A strong connection between home and school has proven to be one of the most important factors in a child's success in our school.

### WORTHWHILE PURPOSE

Bible Center School, a ministry of Bible Center Church, is a private educational institution offering a challenging educational program in a nurturing Christian environment for members of Bible Center Church and other families in the community who wish to take advantage of what we have to offer.

The purpose of BCS is to develop godliness of character and action in the lives of our students. We desire to be an extension of Christian homes and to reinforce the Biblical values taught at church and home. Our students are expected to demonstrate self-discipline, high morals, good habits, respect for others, responsibility, and a love of God and country. The Bible, while not being the only textbook, will be taught, and its principles will be guidelines for all other learning.

Bible Center School officially began in 1981 with the completion of the Family Center addition at Bible Center Church. First grade was the first and only grade available that year. Grade levels were added on, one per year, as the school grew. Double tracking for most grades was also a gradual process, one grade level at a time. In 2010, as a result of the *Move to the Middle* campaign, seventh grade was added. The 2011-2012 school term was the first year in school history for Bible Center to have a complete elementary and middle school, with grades kindergarten through eighth grade. Bible Center School also has an exceptional preschool program for three- to four-year-old children.

### OUR SCHOOL SPIRIT

Every student, employee, and family who is a part of Bible Center School has the opportunity to be an ambassador of Jesus Christ. With that motivation in mind, it is important that each person embraces the school mission and represents BCS in an honorable way. Bible Center School is a great place to celebrate God's goodness among the body of believers.

When the students of Bible Center School were called upon to choose our mascot, the overwhelming winner was "The Rams." No mascot could have been more fitting of the spirit and mission of Bible Center School. Emblematic of both strength and sacrifice, the ram harkens back through the biblical tunnel of time when father Abraham was tested by God to offer his son, Isaac, as a sacrifice. At that dramatic moment, God provided a ram (Genesis 22:13). Abraham declared, "The LORD will provide," and the spirit of the ram lives today at Bible Center School – a place where God's Word is taught and revered.

Our school colors are maroon and gold. On Fridays throughout the year, students are allowed to wear Ram wear shirts and jeans to show their school spirit.

## GUIDING PRINCIPLES

### **Our Vision**

To develop passionate Christian leaders who are well equipped biblically, academically, socially, and physically, as they further the cause of Christ and become a godly influence on their world.

### **Our Mission**

Bible Center School joins with parents in pursuing academic excellence and developing students with passionate hearts fully surrendered to God, minds trained to think Biblically, and hands ready to serve others.

### **Our Educational Philosophy**

The purpose of Bible Center School is to assist the Christian home in training its youth. We recognize that God has ordained the home as the primary environment for the training of children. Bible Center School exists to complement the home's responsibility and does not seek to or ever could take the place of parents. The teacher must be the same proper role model as the parent so that the home and school reinforce each other. (Deut. 6:7; Prov. 4:1; Prov. 22:6)

We believe that education should begin with a concern for the student's relationship with God through His Son, Jesus Christ, and extend throughout every other aspect of life. This is based on our beliefs outlined in our Statement of Faith and the basic tenet that all truth is God's truth. While a distinction is made between revealed truth and mundane truth as discovered by man, mundane truth must be subject to and evaluated in the light of the absolute criterion for determining truth—God's written Word. Therefore, all areas of curriculum and conduct must be interpreted and integrated within the recognized Christian view of the world. Human reason alone cannot be considered as a sufficient and independent criterion for judging truth. (Titus. 2:11-15; II Tim. 3:16-17)

We believe that education is the accumulated effect of every experience. Our responsibility, therefore, is to provide the experiences—spiritual, intellectual,

emotional, and physical—that will result in the greatest possible growth. We believe that this is best achieved when the pupil is saturated in a Christian atmosphere of genuine joy and pleasant daily practice of thoughtful, responsible, purposeful activity. (Luke 2:52) The aim of these directed experiences is to teach the pupil the necessity of making his own decisions and accepting responsibility for his actions. While developing this self-direction and self-control, the pupil should also be taught to be dependent upon the Holy Spirit. In other words, he should be an individual capable of making his own decisions, but at the same time be submissive to the will of God. (Rom. 6:13; 12:1-2; Eph. 2:10; John 16:13; 14:26)

We believe it is desirable that the student body reflects the diversity within American society, racially, socially, and economically, and that it be limited in size so a sense of community is possible. While the school seeks to serve as many children of Christian parents as possible, we do offer admission to students from families not professing the Christian faith. (Mark 16:15)

We believe that our curriculum should be governed principally by the requirements of both a general and college preparation and should include study of the Bible. We believe in seeking and initiating new methods of teaching even as we try to pass on to our students the great essentials of traditional knowledge and learning. Within the framework of the school's spiritual and academic objectives, we want to include as large a choice of courses and learning experiences as possible. (I Tim. 3:16; Prov. 1:5; Prov. 12:1; II Chron. 1:10-12) We are looking for academic achievement, but our overriding priority is the development of mature Christian character. We seek the development of our students into men and women who have the capacity to give leadership to others in the great task of loving God with all their heart, soul, mind and strength, and their neighbors as themselves. Therefore, Christian character is emphasized before career. (Phil. 4:9; Deut. 6:5; Prov. 6:20-22)

## CORE VALUES

- Scripture is recognized as the revealed Word of God and is truth.
- A rigorous process of the integration of faith and learning in all academic disciplines is maintained.

## STATEMENT OF FAITH

- We believe in the Deity of Jesus Christ (John 10:33), His virgin birth (Luke 1:35), His sinless life (Heb. 7:26), His vicarious gift of atonement (1 Cor. 15:3), His bodily resurrection (1 Cor. 15:4), and His personal return (Acts 1:11).
- We believe the ministry of the Holy Spirit is the indwelling of the Christian to live a more holy life. (Acts 1:8, Titus 3:5, 1 Cor. 3:16)
- We believe in the resurrection of both the saved and the lost, the saved to eternal life and the lost to eternal damnation. (John 5:28-29)
- We believe that the world's creation is God's handiwork. We believe that man is His supreme creation, made in His likeness. (Gen. 1)

All schools need cooperation from both students and parents in the education process. If at any time the school feels that this cooperation is lacking, the student may be asked to withdraw. In addition, if the student's and/or parent's behavior or attitude indicates an uncooperative spirit, or one that is out of harmony with the spirit and standards of the school,

whether or not there is any definite breach of conduct, the student may be requested to withdraw.

# **ACADEMIC PROGRAM**

## **GENERAL**

### **K-8th Grade Students**

Students are evaluated yearly with regard to their academic development, social skills, and personal maturity. Appropriate recommendations are then made.

### **Kindergarten**

Every child needs to develop the essential skills necessary to build a solid educational foundation. Bible Center Kindergarten students are given the opportunity to develop a proficiency in reading and math that will set the stage for future learning. Everything we do is designed to build a positive and enjoyable learning environment. Our goal is to provide students with the tools to help them succeed in school. Students completing our kindergarten program participate in a beautiful cap and gown graduation ceremony.

## **Elementary**

Our elementary school offers an advanced educational program designed to help students excel in all subject areas. The reading program is comprehensive and focuses on fluency and comprehension. ## **Middle School**

The course of study for students entering middle school is challenging and motivating. The overall program is designed to help provide stability in a time of physical and emotional transition. Dedicated Christian teachers and active participation in Christian activities provide student leadership, stability, encouragement, inspiration, and guidance.

## **Grading Scale**

B Honor Roll - Students who have earned a grade of B- or higher in every subject for the marking period.

## **Academic & Other Competitions**

Students at Bible Center School are encouraged to do their best at everything they attempt. Recognizing that students have different God-given gifts and abilities, unique competition opportunities are given to students who excel in specific academic and/or the fine arts areas.

Each year, Bible Center School conducts several academic contests for the intermediate grades. These may include Spelling, Math, and a Science/ Social Studies Fair. Winners from Bible Center School participate in the Spelling Bee, and Math Field Day. The eighth grade students also participate in the West Virginia Golden Horseshoe test. Students also participate in the Association of Christian Schools International statewide academic day. As new opportunities arise, we will encourage student participation.

## **Awards**

At the end of each school year, Bible Center School recognizes many students' achievements in an awards ceremony. Students will be recognized for excellence in academics, athletics, fine arts, and Christian character.

## **Textbooks**

Required textbooks are supplied to students through Bible Center School. Learning to accept responsibility in regard to proper care of books and equipment is an important aspect of character development. In case of loss of textbooks or workbooks, students will be billed for the total price of replacement books. Damaged books will be assessed accordingly.

## **Homework**

Homework is a necessary part of each child's education. All students will be assigned homework by their teachers. However, no homework will be assigned on Wednesdays in order to encourage students to attend church. Parents should oversee the completion of homework assignments nightly. Incomplete homework assignments accumulate per class per school year and may result in detentions, behavior reflection reports, and the student's grade being negatively affected. As a guide, teachers will assign 10 minutes of homework per grade level (K-5).

### **The purposes for homework are as follows:**

**For Drill:** We believe that most students require solid drilling to master material essential to their educational progress.

**For Practice and/or Completion:** Following classroom explanation, directed study, and drill on new material, homework is given so that the material will be mastered.

**Special Projects:** Book reports, compositions, special research assignments, and projects are some of the activities that are frequently the subject of homework attention.

### **Students are expected to accept the responsibility for completing their homework as follows:**

- Have the necessary materials to complete their homework.
- Ask questions as needed to clarify their assignments.
- Work as independently as possible.

- Complete assignments with minimal help from parents.
- Complete homework in a thorough and thoughtful manner.
- **Complete homework by the due date.**

We request that parents assume the responsibility of ensuring that assignments are completed on time. However, this does not mean that parents do the work for the child. The maximum amount of learning, along with the development of personal responsibility, is attained when children are encouraged to recognize that completion of homework is primarily their own responsibility. Repeatedly late or unfinished homework will result in disciplinary action.

### **Promotion/Retention**

In kindergarten through sixth grade, a student's report card will contain a notation as to whether the student has been promoted or retained. Students in grades 1-8 receiving three "F's" for the year in academic subjects, or two "F's" if one "F" is earned in math, reading, or English may be retained at the same grade level.

### **Cheating/Plagiarism**

If it is determined that the student cheated via copying another student's notes, work, or assignment, or have represented others' work as his/her own (plagiarism), the work may receive a "0" or "no credit" grade. A student, who is found to have collaborated in the cheating, whether by loaning assignments for copying or giving answers directly, may also receive the grade of "0" or "no credit". Habitual incidents of cheating will result in further disciplinary action. In all cases of cheating, parents will be notified.

### **Standardized Testing**

All students, kindergarten-eighth grade, take the Iowa Basic Skills Test in cooperation with ACSI. Scores are returned to the school by the middle of June. Teachers administer the tests, arrange for make-up of absentees, and record the scores on the permanent record cards at the end of the year.

## Academic Records

Educational records of students are transferred/released only under the following conditions:

1. With a signed request on school letterhead from the new school.
2. School account paid in full.
3. In compliance with a judicial order or subpoena.

Student records are not released directly to a parent. It should be noted that most educational institutions will not accept a transcript presented directly by a parent or students as a means of protecting privacy.

## Report Cards

Report cards are emailed approximately one week after each quarter ends.

- Illness or injury
- Death in immediate family
- Quarantine
- Medical or dental appointment

- Court or administrative proceedings
- Educational opportunity with proper advance notice
- Inclement weather conditions agreed upon by administrator
- Pre-approved family trip with necessary form on file prior to absence.

Other excused absences are at the sole discretion of the administration and are narrowly defined. Exceptions would be family emergencies to be individually evaluated on a case-by-case basis.

In grades K-8, if a student accrues 5 or more unexcused absences in any class, the student's parent(s) will be notified by phone, email, and/or mail. If a student accrues 10 or more unexcused absences in any class, this may constitute failure for the school year.

Student athletes must be present for four of the seven periods in order to attend that day's game. If a student goes home from school sick, he or she may not come back that afternoon for practice or a game.

### Planned Absences

Permission for all pre-planned absences or early dismissals due to family trips, appointments, etc. must be approved by the administration. The absence request form may be found online. This form needs to be completed and returned at least three days before the planned absence. Failure to do so may result in the absence being unexcused. If assignments are desired to be ready before the absence, notice and approval must be obtained at least one week in advance.

Students in grades 6-8 are responsible for securing all their own assignments for absences for any reason. All work is due upon return.

### Unplanned Absences (Illness, Family Death, Etc.)

When students return to school after any absence, they should email the teacher or school office the reason for the absence. The administration will determine if the absence is excused or unexcused. A doctor's note will be required for absences of five or more consecutive days. A doctor's note must be

secured in advance for any on-going illness that requires numerous absences.

### **Parent Consent Days**

Students are allowed **five days** per year, with proper verification, for reasons other than those outlined under the excused absence section. Family vacations, hunting trips, mission trips, church conferences, retreats, etc. are examples of circumstances that may result in excused absences with a parent note. These are the Parent Consent Days. After five days, the absences become unexcused. Bible Center School recognizes that the ultimate decision for vacations and days off rests with the parent, but the school will comply with state law concerning attendance. Parents will be asked to meet with the principal concerning excessive absences. If unexcused absences continue after the principal-parent/guardian meeting, the student may be retained in the current grade or dismissed from the school's program. Absence Request Forms are available in the school office and on the website. Requests must be submitted at least three days prior to the date(s) of absence.

### **Make-up Work/Tests/Quizzes from excused absences**

#### **K-5th Grade**

The teacher will NOT be responsible for reviewing lectures, class discussions, or giving extra tutoring. It is the student's responsibility to see the teacher about all make up work. All make up work is due three days after the student returns to class. Tests missed will be made up on the first day back to school or at the teacher's discretion. All other tests will be given on schedule or at the teacher's discretion.

#### **6th-8th Grade**

The teacher will NOT be responsible for reviewing lectures, class discussions, or giving extra tutoring. It is the student's responsibility to see the teacher about all make up work. The number of days missed is the number of days the student has to make up all missed work. The teacher should use discretion in how much work was missed and/or tests/quizzes given on the day of return over material missed.

### **Tardiness**

**Classes begin at 8:00 a.m.** Upon entering school after classes have begun, elementary and middle school students must report to the school office to receive a tardy slip. At that time, determination will be made as to whether or not the tardy is excused. Late students will not be admitted to class without a tardy slip and given to the classroom teacher. Tardies and absences will be recorded in RenWeb.

- Each tardy will be entered on the child's attendance record.
- After five tardies in one nine-weeks grading period, parents will be notified.
- After ten tardies in one nine-weeks grading period, the principal will call the parents to discuss a solution to the problem.

### **3 Unexcused Tardies=1 Unexcused Absence**

#### **Late Arrival and Early Dismissal**

It is necessary that a student be in attendance throughout the school day in order to benefit fully from the educational program of the school. Please make every effort to schedule appointments before or after school hours. However, it is recognized that from time to time compelling circumstances require that a child be late for school or be dismissed before the end of the school day.

*Students must be present until 11:30 to be counted as present for a full day.*

#### **Early Arrival/Late Stay**

Teachers are to be on duty in their classrooms at 7:30 A.M. each school day. Students in Kindergarten-Eighth Grade may **not** arrive before 7:30 A.M.

The aftercare program is from 3:15-5:30 p.m. at an additional cost of \$7.00 per hour which will be billed to your account through FACTS. Snack and drink are provided during the first hour.

#### **Illness or Injury**

Students who become ill or injured during the school day will be assisted by our School Staff. Parents are always notified upon vomiting, diarrhea or fever

over 100 degrees, or injury. We ask that students are free of fever, vomiting, or diarrhea at least 24 hours before returning to school. If a determination is made that paramedic assistance is necessary, 9-1-1 will be called and the child will be taken to a nearby hospital. Parents will be notified immediately.

**Medication**—Whenever possible, any necessary medication should be administered in the home. At times when medication must be given during the school day, parents are responsible to ensure that all medication, along with written orders from a physician, be turned in to the school office and school staff as soon as the child arrives at school. Written permission from the parent or guardian is necessary for a child to receive medication during school hours. Whenever feasible, the child should self-administer medication under adult supervision. For students who have an allergy requiring an epi pen or a diagnosis requiring an inhaler, we require a secondary epi pen or inhaler to be kept in school office with a doctor's orders. **All medication needs to be submitted in original packaging or container.**

**Insurance**—If a child is injured in a school related activity, the insurance claim must be handled through the child's or family's insurance policy. Claims for school related accidents may be submitted to the school's supplemental insurance policy only after all claims have been processed by the child's or family's insurance policy.

### **Participation in PE/Recess**

As a general rule, if a student is well enough to attend school, he is well enough to attend physical education classes and recess. With written parental verification, a child may be excused from physical education or outdoor activities for up to three school days following an illness.

### **Closing of School/Delayed Openings**

Severe weather or another emergency may require the opening of school to be delayed or school to be closed for the day. For weather closings or delays, BCS will not follow the Kanawha County School announcements. A decision to close school or delay

opening is generally made by 6:00 A.M. and is made for one day at a time. A text message, voicemail, and email will go out to all parents who are registered for Parent Alert through their ParentsWeb account. This information is also posted on our school website, Facebook page, and is relayed to local television stations. If school is in session, the decision to send a child to school is ultimately made by parents and guardians.

### **Parent Volunteers**

There are times throughout the school year when parents may serve as chaperones on field trips or as volunteers in the classroom or at other school events or programs. When chaperoning or volunteering, parents are expected to adhere to the dress code of the activity and should not bring siblings to the activity. Per Bible Center Church policy, all potential school chaperones or volunteers are required to submit background clearances to the school office prior to participation. Additional information is available through the school office.

### **Parent-Teacher Conferences**

Bible Center School recognizes the importance of the home and the school working together to obtain spiritual and academic growth for the students. Therefore, parent-teacher conferences may be necessary at various times throughout the school year in order for parents and teachers to address individual student needs at school. The school asks all students and parents to make every effort to participate as needed in these beneficial conferences.

### **Parental Communication**

RenWeb, a segment of our school office management software, is available as a means of improving parent-school communication concerning the academic progress of our students. This online system has proven to be an invaluable tool designed to help parents track homework assignments, upcoming tests, grades, class activities, calendars, and much more. Additional information is available through the school office.

## **Parental Support**

Our goal is to partner with parents in educating students academically, socially, and spiritually. Parents should avoid actions, statements, and activities that are out of harmony with the spirit of BCS policy and practice. We realize that disagreements may occur, but the staff desires a harmonious relationship with all parents. We ask that the Matthew 18 principle be applied to ensure that communication begins between the parent and teacher. This models a positive attitude to our students. If parents have a question about a school policy or an event that involves their child, they are to notify their child's teacher first. An effort will be made to resolve any differences and maintain excellent communication between parents and school staff. Parental support is an essential part of the educational process. If, in the sole discretion of the administration, a parent has failed to support the Administrator or school staff or the standards articulated in the school's Statement of Faith, the administration reserves the right to deny the student continued enrollment in the school.

## **Physical Examinations**

Before participating in the interscholastic sports program, a student must have a physical examination after June 1<sup>st</sup> for the upcoming school year and prior to the start of practice for the specific sport.

## **Sports and Grades**

The school sponsors boys' and girls' basketball teams, cheerleading squad, volleyball team, baseball team, soccer team, and track team. To be eligible to participate, students must have a C average the quarter preceding the season and a physical exam stating no medical problems to be eligible to participate.

## **Sports Program**

Bible Center School maintains an active interscholastic sports program competing in soccer, volleyball, basketball, track, cheerleading and baseball. Athletes must meet eligibility requirements in order to participate.

Student athletes are expected to maintain a good Christian testimony with staff and students and are expected to attend all practices and games. Athletes may be dropped from squads at any time for irregular practice attendance, lack of ability to perform at the standard set for squad membership, or for displaying an improper attitude. The coaches recommend athletes for awards based on participation, skill, sportsmanship, cooperation, behavior, and attitude.

All athletes and spectators are expected to display a good attitude and to maintain a Christian testimony at all times.

## **PART IV**

# **STUDENT CONDUCT**

The goal of discipline is *self*-discipline. A good plan teaches students to submit their will to the proper authority while not breaking their spirit. As this is accomplished, a student will learn to discern right from wrong, make decisions based on Biblical principles, and rule their personal desires with an eye to the future rather than the immediate.

Self-discipline can only be achieved as the school and home work in harmony. We partner with parents to reinforce God's directive to "Train up a child in the way he should go." This is prompted by structure and guidelines, and is acknowledged by reward for good behavior and consequences for poor behavior.

Behavior policies and procedures exist to achieve responsibility from students, and to create a safe, secure, and life-giving school environment. This type of atmosphere fosters achievement and academic excellence. We desire to help each student develop his or her God-given abilities to be used for His glory.

This handbook is used by the administration as a guide to follow. Each case and circumstance is considered individually. It may be revised, or other programs may be set up by the administration.

## **STUDENT RESPONSE TO DISCIPLINE**

When students are corrected, they should **never** discuss the problem or argue with a teacher in front of other students. If the student feels a misunderstanding exists, he or she should obey the

teacher without protest and take the following steps to satisfy the matter:

- Make an appointment to see the teacher to discuss the matter privately, or speak with the teacher before or after class.
- Talk the problem over with his/her parents and have them contact the teacher for discussion and clarification.
- If a problem still exists after discussing it with the teacher, the parent should make an appointment to meet with the Administration and teacher.

This represents the Matthew 18 principle and should be followed in every instance. Situations handled in this manner will rarely be brought to the administration.

## **ON-CAMPUS CONDUCT AND PROCEDURES**

Without classroom learning, our school would not exist. It is imperative that learning be encouraged and protected. Our classrooms must foster a safe and productive learning environment; therefore, student behavior must not distract or cause incident that would lead to distraction. The following are guidelines when on campus:

### **Cell Phone Use**

Students are not permitted to use a cell phone during school hours. Any use of a cell phone in school during school hours by a student will result in disciplinary action. If a student brings a cell phone to school, the cell phone must be secured in the student's locker or book bag. If a student brings a cell phone to class or carries it during the school day, the phone will be confiscated and returned to the student on the first offense and to parents on any subsequent offense.

**Note:** "Forgetting" to turn off the cell phone is not an excuse.

Possession of a cell phone during a test or quiz for any reason will automatically be considered

cheating, and appropriate academic and disciplinary action will be taken.

No taking of or other use of cell phone photographs/videos is permitted on school grounds. *No* cell phone photographs/videos are permitted in the restrooms or locker room areas at any time. Violation of this prohibition is a serious offense.

### **Other electronic devices**

Chromebooks have the great potential to enhance learning and improve many areas of a student's education. However, strict guidelines must be followed to ensure that this potential is maximized.

Electronic games, music, devices, or anything else deemed distracting is prohibited during the school day. Such items will be confiscated and may be required to be picked up in the office by a parent or guardian.

Apple watches may not be used as a communication device during the school day. Inappropriate use of this technology will result in disciplinary action.

### **Conducting Business on Campus**

A student may not sell a product, collect money for a product, or solicit business in any way while on campus without permission from the Principal. Ignoring this may result in a suspension and possible expulsion.

### **Disrespect toward a member of the faculty or staff**

Students at times are learning the appropriate boundaries toward adults in authority. However, when disrespect affects the school environment, it requires a more serious solution. Any student who intentionally disrespects a member of the faculty, staff or administration, with intent, will receive disciplinary action. Examples of such behavior would be: refusal to follow faculty, staff, or administration instructions; demeaning language or gestures toward faculty, staff, or administration, especially in front of other students; or any other demeaning, inflammatory, degrading, or unwarranted

accusation by a student toward the faculty, staff, or administration.

In the event of any violation of this policy, the administration reserves the right to designate a suspension or an appropriate disciplinary action up to and including expulsion.

### **Corporal Punishment**

Bible Center School views corporal punishment, properly administered, as a Scriptural and sound method of correction. We also believe parents are responsible to properly discipline their children. However, due to legal reasons, neither school personnel nor parents may administer corporal punishment on campus to any student.

## **VIOLENCE PREVENTION**

### **Zero-Tolerance for Violence**

Bible Center School does not tolerate violence in any form. Every member of this school family – students, teachers, parents, support staff, administrators and others, while on school property and at school sponsored events – is governed by these policies and is expected to share in the task of creating an environment that is safe, harmonious and respectful.

### **Weapons Policy**

Bible Center School strictly prohibits and will not tolerate the possession of weapons by any unauthorized person on its property or in its buildings or at school-sponsored activities, and the school will not tolerate the presence of weapons in lockers or in any other place on its property. The school prohibits the use of weapons or the threat of the use of weapons or replicas by any person on its property, in its buildings or at school-sponsored activities.

Bible Center School treats *possession* of a weapon and the *use* of a weapon as two separate offenses. Having a weapon on one's person or in an area subject to one's control in a school location constitutes *possession* of a weapon. Objects, the *mere possession* of which constitutes possession of a

weapon, include, **but are not limited to**, the following:

Any gun (loaded or unloaded), all knives, blades, clubs, metal knuckles, numchucks, throwing stars, explosives, fireworks, mace and other propellants, stunguns, ammunition, poisons, chains, arrows, and objects that have been modified to serve as a weapon. Any firearm muffler or firearm silencer. *Any explosive, incendiary, or poison gas, bomb, grenade, rocket, missile, mine, or any device similar to these. Any type of weapon by whatever name known which will, or which may be readily converted to, expel a projectile by the action of an explosive or other propellant. Any combination of parts either designed or intended for use in converting any device into any destructive device described above, or from which such a device may be readily assembled.*

Using or threatening to use any of the above items or a replica of a weapon of any kind constitutes use of weapon. Using (or threatening to use) an otherwise innocent item as a weapon, *even if that object under normal circumstances is not a weapon*, constitutes use of a weapon. (Example: brandishing a ball-point pen in a stabbing motion.) Such use may also violate other school policy.

When a student threatens to use a weapon or replica thereof, whether or not such weapon or replica is in the student's possession, the parents of the child will be informed, and the minimum disciplinary action shall include suspension.

The minimum consequence for students possessing, using or distributing weapons shall include confiscation of the weapon, notification of the parent or guardian, and immediate out-of-school suspension. The administration will impose suspension for any length of time deemed necessary.

### **Assault, Threats & Harassment Prohibited**

Bible Center School does not tolerate assault, threats, harassment, or abuse against any members of the school family. Verbal or written threats, racial/ethno-

cultural harassment, physical or sexual harassment, or abuse perpetrated by anyone in the school, whether intentional or unintentional, is condemned as unacceptable and will be dealt with through appropriate discipline.

### **Assault & Harassment**

Bible Center School prohibits the use, attempted use, or threatened use of force or intimidation against another person without his or her consent.

Bible Center School prohibits any course of comment or conduct that is known or ought reasonably to be known to be objectionable, or create an environment that is hostile, intimidating or offensive to another person.

Bible Center School prohibits any intentional violation of the “six-inch principle.” The six-inch principle holds that each student should avoid intentionally “invading” the six inches of space surrounding a person and his or her property, with the exception of activities directed by the faculty during class (i.e., P.E.) or in which normal and reasonable contact should be expected (i.e., incidental contact in the hallways, in lunch lines, or during an athletic activity).

When a verbal assault, threat, or harassment occurs, the parent/guardian of the student involved will be informed; and the perpetrating student will be disciplined. The administration reserves the right to use any disciplinary action up to and including expulsion.

When an assault occurs, the parent/guardian of the student involved will be informed. If there is no weapon involved, the minimum length of out-of-school suspension of a student offender is three days unless there are mitigating circumstances. If there is a weapon involved, the minimum disciplinary action for a student offender is seven days of suspension unless there are mitigating circumstances. In any instance of assault, the administration reserves the right to use any disciplinary action up to and including expulsion.

When a student violates the “six-inch rule” and there is physical contact that 1) is reasonably described as “non-violent,” 2) does not lead to injury, threat of injury, or a dangerous situation, 3) is non-threatening, and 4) is part of a mutual disagreement or pre-fight pushing or shoving; the parent/guardian of the student involved will be informed and a minimum of a detention will be issued. The administration reserves the right to use any disciplinary action up to and including suspension. Repeat offenses may result in a suspension. If the Administration finds that a student’s physical response to a verbal or physical provocation is disproportionate it will be deemed “unreasonable,” and the Administration may reduce disciplinary actions or exonerate the student who did not initiate the physical altercation.

Harassment is defined as any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct directed against a student or school employee that:

1. Places a student or school employee in reasonable fear of harm to his or her person or damage to his or her property;
2. Has the effect of substantially interfering with a student's educational performance, opportunities, or benefits; or
3. Has the effect of substantially disrupting the orderly operation of a school.

### **Bullying**

Bullying is defined as systematically and chronically inflicting physical hurt or psychological distress on one or more students through behavior described in the “Violence Prevention” section above. The term “bullying” implies prolonged and repeated behaviors and is not tolerated. Students, faculty, staff, and parents should notify a member of the administration immediately when there is a suspicion or report of ongoing activity.

The Administration reserves the right to use any disciplinary action up to and including expulsion in such cases. This includes amending consequences listed in the parent/student handbook when proven to be “systematic and chronic.”

Wrongful or untrue claims of bullying, harassment, threats, or assault are strictly prohibited. The Administration reserves the right to use any disciplinary action up to and including expulsion for such an act.

### **Sexual Harassment**

All allegations of sexual harassment will be promptly investigated in as impartial and confidential manner as possible. A timely resolution of each complaint will be communicated to the parties involved.

The school will permit no retaliation against anyone who brings a *bona fide* complaint of sexual harassment or who provides true information as a witness in the investigation of a complaint of sexual harassment. However, an individual who makes a false complaint or provides false information to an investigator will be subject to disciplinary action, up to and including expulsion or termination of service where appropriate.

Any student or staff member found to have violated this sexual harassment policy is subject to disciplinary action, up to and including expulsion or termination.

### **Vandalism**

Bible Center School prohibits the deliberate damage or defacement of school buildings, grounds, equipment or books or the personal property of individuals while on school property. When vandalism occurs, the student's parent will be informed; the student and parents will be held responsible for returning stolen items to their owner or paying full compensation for them; and the student or parent/guardian will be responsible for paying all costs to restore or replace the vandalized property to its condition prior to being vandalized. The student will be disciplined where warranted. In any instance of theft or vandalism, the administration reserves the right to use any disciplinary action up to and including expulsion. The student's transcripts and any other awards or privileges (including yearbooks, academic and fine arts awards,

participation in field trips or class trips) will be withheld until the student's debt is repaid.

### **Searches**

Bible Center School authorizes the principal and any other designee to conduct searches and, where necessary, to seize prohibited substances or objects. Students should have no expectation of privacy from the school staff in any areas designated to them for storage of personal belongings on school property (i.e., lockers, etc.), nor should students have an expectation of privacy from the school staff in any belongings they may transport onto school property in a bag or on their person (i.e., backpacks, etc.). Nor will they have an expectation of privacy from the school administration for any electronic devices that are confiscated outside of the locker while on campus.

### **Student Drug and Alcohol Use**

Students using alcohol and illegal drugs pose a threat to their own health and safety, as well as to that of other students, and have a detrimental effect on the learning environment of their classes. This policy, including its rules, regulations and guidelines is a coordinated effort by the school to openly and effectively respond to the potential and actual use and abuse of drugs, alcohol, and mood-altering substances by members of its student

This policy does not grant to students any right to be tested for drugs prior to disciplinary action, nor does it require the Administration to obtain the results of a drug test before taking disciplinary action against a student for suspected drug use.

### **Prohibited Activity**

A student, who on school property or anywhere at a school sponsored activity, **is under the influence of** alcohol, drugs, or mood-altering substances, or who **possesses, uses, distributes, dispenses, sells or aids in the procurement of** alcohol, narcotics, restricted drugs, mood-altering substances, drug paraphernalia, or any substance purported to be a restricted substance or over-the-counter drug shall be subjected to discipline pursuant to the provisions and

procedures outlined in Bible Center School's Student Conduct Policies. In the event of any violation of this policy, the administration reserves the right to designate an appropriate disciplinary action up to and including expulsion.

## **PARENTAL SUPPORT**

By introducing and enforcing this code of conduct Bible Center School creates a learning environment that encourages the wholesome aspects of life, and in some ways, reduces the distractions prevalent in many schools.

The staff desires a harmonious relationship with parents. If parents have a question about a school policy or an event that involves their child, they are to notify their child's teacher. An effort will be made to resolve any differences and maintain excellent communication between parents and ministry staff. Parental support is an essential part of the educational process. If, in the sole discretion of the administration, a parent has failed to support the Administrator or ministry staff or the standards articulated in the ministry's Statement of Faith, the administration reserves the right to deny the student continued enrollment in the school.

### **Probation**

Students may be placed on probation for academic, social, disciplinary, or spiritual reasons that contradict our statement of faith. Parents or guardians will be notified of this action by the school administration. Failure to consistently improve in the area of concern may result in suspension or expulsion from school. Types and definitions of probation are listed below:

#### **Academic Probation**

A student is placed on academic probation when he is failing in all or almost all of his academic classes or when he is showing little effort in assigned class work.

#### **Disciplinary Probation**

A student is placed on disciplinary probation when he repeatedly or flagrantly ignores, disobeys, or

flaunts school regulations and/or teacher instructions. If a student fails to respond to this action, suspension or expulsion may follow.

### **Dismissal/Expulsion**

Students may be expelled or required to withdraw from school at any time they or their parents are found to be out of harmony with the rules and policies of the school. Decisions in these matters are at the full discretion of the administration, and further reviews or appeals cannot be considered.

### **Re-entry**

Students who are expelled or asked to withdraw from school become eligible for enrollment consideration after two full semesters following their dismissal from school.

## **STUDENT BEHAVIOR**

### **Behavior**

Bible Center School expects students to establish and maintain a Christian testimony with teachers and students. Students are expected to follow school rules with a cooperative spirit while displaying respect for God, family, faculty, fellow students, and country.

Students are expected to be responsible for their own actions in spite of the actions of others. Behavior such as horseplay, disruptive talking, and bullying and/or intimidation of others is not compatible with Biblical standards of conduct, is not conducive to Christian character development, and encourages classroom disturbances with unwanted breaches in the normal learning process. Therefore, this type of behavior will not be tolerated.

## **PART V**

### **SYSTEMS POLICIES**

#### **Adventure Camp**

BCS offers a summer day camp program for any BCS students in TK-5th grades who wish to enroll. Camp costs and other detailed information are sent home each year prior to the end of school. Please contact BCS preschool for more information.

#### **Aftercare**

Students remaining after 3:15 P.M., who are not practicing with a coach must report to aftercare until their ride arrives.

#### **Birthdays**

Parents and students are invited to be part of the birthday lunch that is scheduled during your child's birthday month. Please see the school calendar for birthday lunch dates.

Parents may bring a birthday treat for their child's class during their child's lunch time in the cafeteria. Parents may not bring birthday treats to the classroom during the school day.

Invitations passed out in the classroom must include every child in the class. Boys may invite all the boys in the classroom and girls may invite all the girls in the classroom. If students are only inviting a few students to their party, invitations may not be passed out at school.

#### **Chapel**

Chapel services are held once each week for elementary students and once each week for middle school students. Parents are welcome to attend chapel services.

#### **Child Abuse and/or Neglect**

In accordance with state law and school policy, school staff is obligated under penalty of fine and jail term to report the reasonable suspicion of physical abuse, sexual abuse, or child neglect. In this very serious and legally narrow area, the school will not contact parents in advance of making a report to authorities, which would be the procedure followed in most other legal matters. The clear intent of the law, based on the seriousness of the crimes listed above, is to mandate that a report of reasonable suspicion of abuse be made. School staff will make such reports in the best interest of the affected child and do not, once reasonable suspicion is established, have any legal alternative except to make the report to the proper authorities for their investigation and review.

### **Field Trips**

The purpose of field trips is to enhance student learning through experiences outside of the traditional classroom. All field trips must be approved by the school administration and are planned by the teacher. The costs for transportation and admission are not always covered by the school activities fee.

All chaperones must model the standards of dress and conduct expected from our students as stated in this manual. Chaperones may not take any siblings, friends or family on field trips.

### **Drama**

Private weekly drama lessons are offered to students in kindergarten through eighth grade. Arrangements are made between the instructor and the parent. Students will be given release time from the classroom to participate. To enhance classroom learning, a special drama trip is planned for each year.

Lessons will be charged to the student's account by semester. Lessons will be suspended if the account is not kept current, and there will be no refunds if a child drops out of drama class mid-semester.

### **Fire/Emergency Drill**

Fire drills are required to be administered each month during the school year. As a part of our emergency response plan, one additional emergency drill will be administered each quarter on a rotating basis as determined by the security team. It is important that students move to their assigned exit quickly and in an orderly manner as soon as the alarm sounds or an announcement is broadcast. Specific exit directions are posted in all classrooms. In case of severe weather, students will remain in the building in safe areas. In full cooperation with local and state safety officials, appropriate and reasonable precautions will be taken for the safety and protection of the students in emergency situations.

### **Fund Raising**

Each year projects are planned to help improve or

upgrade the school facilities. These projects are outside the regular school budget that is supported by tuition. We encourage active support of these fund-raisers because they directly benefit the students and help keep tuition costs reasonable. All gifts to Bible Center School are tax-deductible.

### **Lock Down Drill**

Periodic Lock-Down Drills will be held to prepare students for an emergency that requires a lock down situation. This alarm is a vocal announcement through the intercom system. Upon hearing the alarm, the teachers will lock the classroom door, turn off the lights and close window shades. The students will proceed to their lock down location within the classroom. The class will remain in this position until the all clear is announced.

### **Lockers**

All middle school students will be assigned a locker. Students may decorate the inside of their locker with items that are in harmony with the standards and philosophy of Bible Center School. Nothing may be attached to the outside of a locker.

Lockers are the property of BCS and are subject to regular inspection without notice by a representative of the school administration. Students are asked to keep their locker locked during class time and not to give their locker combination to any other students.

### **Music**

Bible Center School is pleased to offer weekly music classes as a specialized subject area with a trained instructor. Programs are presented throughout the school year that allow students to use their musical talents to glorify God and to demonstrate the work learned in the classroom. Students also participate in the West Virginia ACSI Academic Day. Annual programs include a Veteran's Day Program, Christmas Program, and School Emphasis Sunday at Bible Center Church.

Private music lessons are offered by various instructors and arranged by parents. Students will be given release time from the classroom to participate. Lessons will also be charged to the child's school

account. However, lessons will be suspended if payment is not kept current.

### **Patrols**

Fifth grade students are given the privilege of serving as school patrols. Patrols serve as helpers in the classrooms and in the afternoon car line. Patrol duty assists students in learning responsibility, respect, and leadership. They are expected to exhibit respect, care and compassion to the elementary school students. The fifth grade teachers are the patrol advisors. Students may be removed from patrol duty for misconduct.

### **Parental Custody**

If there are situations regarding parental custody or parental restraint orders, the school will follow what the court deems appropriate through official court papers. The school must have a notarized copy of an official court document (with judge's signature) before the school can take any action. The safety of the student is the school's number one concern, and at no time will the school release a student to a parent or authorized person that appears to be under the influence of substances or in an impaired condition. Please inform the school office of any situations of parental custody or restricted visitation.

### **Parental Visits and Conferences**

Parents and guests are not permitted to visit in the classrooms without the permission of administration. Parents and guardians wishing to have a conference with a teacher or administrator must do so by appointment. Administrators work on a very structured schedule and can rarely take drop-in appointments. Teachers are not permitted to hold impromptu conferences at the door of their classrooms. Please call the office or send a note to the teacher in order to schedule an appointment. If you as a parent need to meet with several teachers at once, please call the office to arrange for a joint conference.

Parents are never to go directly to their child's classroom during the school day. Please go to the office where your child will be called via the intercom. Teachers are not permitted to receive

lunches or books and are not to dismiss students from their room without approval from the office. This policy is for the protection of your child.

### **Pickup Procedures**

Safety for students of Bible Center School is a major concern of the staff. Therefore, only persons authorized by the child's parents may take a child from Bible Center School. Persons picking up students prior to 3:00 PM must come to the office to sign them out. The school may request identification if the person is unknown to school personnel.

### **School Office**

All parents are welcome in the school office. The office is open from 7:30 a.m. to 3:30 p.m. Monday through Friday. Lunches, homework, books, or other items to be delivered to your child must be left in the school office for delivery.

**Solicitation**

Soliciting is forbidden at Bible Center School without the permission of the administration. This includes the selling of any items, any type of solicitation for funds, the distribution of political materials, the circulation of petitions, etc. Students are not to use the name of the school on any media outlet or in any publication without prior authorization from the school administration.

**Testing Services**

Bible Center School uses the services of Kanawha County Schools for academic, health, and psychological testing. These services may be requested by the parents or by the teacher with a parent's permission.

A Kanawha County Schools speech therapist comes to Bible Center School twice a week to provide speech therapy for students needing the service. She also screens all new students.

Each year a Kanawha County Health Nurse screens all second and fourth graders for auditory and vision problems.

**Visitors**

Visitors are welcome at Bible Center School. We do, however, ask that all visitors report to the security receptionist area immediately upon arrival. All adult visitors will be asked to sign in at the security receptionist area and will receive a visitor sticker that must be worn while on campus.

Students are allowed to visit only if they are prospective Bible Center School students.

Permission must be obtained from school office personnel prior to the visit.

No visitor may speak or participate in any program or class activity unless permission is secured in advance from the administration.

**A CLOSING WORD**

We believe that the Christian education made available by our school is based on the foundation

laid by parents at home. The Word of God is clear that education begins in the home. It is our desire to work in cooperation with parents who understand their God-given responsibility to raise their children in the discipline and instruction of the Lord.

The families of our students are always welcome to attend the services of Bible Center Church, which sponsors Bible Center School. We invite you to contact us any time you wish to discuss the educational or spiritual needs of your children or family.
