

In-Lieu of Transportation

In-lieu of Transportation is a direct payment of money to families who do not use public school transportation. The counties that pay in our area are Kanawha (\$1 per student, per day) and Putnam (.75 per student, per day). Bible Center School does all the record keeping and correspondence with the individual counties. Checks are issued to families directly from the county in which they live. Reports are sent to the county twice a year; at the end of the first semester and at the end of the school year. You will receive a check in January/February and one in June.

If you live in any of these counties and are more than the minimum distance from BCS by the nearest direct route, you are entitled to receive reimbursement from your county school system for each day your child is present in school.

When filling out the form, please remember that if you have a P.O. Box, Route #, or Box # you must list the **actual address of your residence**. The counties check to make sure you live in their county.

County	Minimum distance from school	Refund per student/ per day
Kanawha	2.1 miles	\$1.00
Putnam	2.0 miles	\$0.75

Please fill out the following form only if you qualify according to the above stipulations. You will receive payment only if you complete this form and return it to BCS before September 15. If you move during the year you must fill out a new form with your new address. We must have a form for each child.

Parent's Full Name _____

Mailing Address: _____ City: _____ Zip _____

Actual Address (if different from mailing address):

One way distance from home to school (miles and tenth: for example 4.5) _____

Child's Name _____ Grade: _____

This certifies that I/we live in _____ County at least the minimum miles required from Bible Center School by the nearest route and I/we are eligible to receive reimbursement.
