

BIBLE CENTER
SCHOOL

In-Lieu of Transportation

In-lieu of Transportation is a direct payment of money to families who do not use public school transportation. In our area, Kanawha County pays \$1 per student, per day. Bible Center School does all the record keeping and correspondence with the county and the county issues checks to families directly from the county. Reports are sent to the county twice a year; at the end of the first semester and at the end of the school year. You will receive a check in January/February and one in June.

If you live in Kanawha County and are more than the **minimum distance from BCS (2.1 miles \$1.00)** by the nearest direct route, you are entitled to receive reimbursement from your county school system for each day your child is present in school.

When filling out the form, please remember that if you have a P.O. Box, Route #, or Box # you must list the actual address of your residence. The county checks to make sure you live in their county.

Please fill out the following form **only** if you qualify according to the above stipulations. **You will receive payment only if you complete this form and return it to BCS before September 15.**

If you move during the year you must fill out a new form with your new address. We must have a form for **each** child.
